

## Please see the Orthodox Church of the Mother of God Online Bookstore.

- We have books for Enquirers
- We have books Catechumens
- We have books for the Faithful

### How does this work?

The way this works is that you can browse the items in our bookstore and add what you want to our shopping cart. When you are done shopping at our bookstore, view the shopping cart, and click on the ***Proceed to checkout*** button. This will take you to Amazon.com, and let you move the items in our shopping cart into an Amazon.com shopping cart. Continue shopping there or check out.

- If you return to our book store, before you check out at Amazon.com, your cart here will be empty, but when you go back to Amazon.com, your privies items will be in your Amazon.com shopping cart.
- When you shop at Amazon.com after leaving our store, the nice folks there will credit us with a 4 to 15 percent referral on what you purchase there.

### What if I have a problem with an order?

In the unlikely event that a problem arises with your order, contact Amazon.com directly. *Church of the Mother of God Bookstore* can send you information about how to contact Amazon if necessary. Contacting Amazon ensures a speedier resolution.

### Where is the bookstore?

The bookstore is on our web site. Just point your computer browser to:

<http://churchmotherofgod.org/>

Then click the link for [Church Bookstore](#) on the home page.

Our bookstore is hosted by Amazon.com. The bookstore is a service to give our website visitors a link to many helpful books on the Orthodox Church and faith. If enough books are sold this way, we may earn some money to help support our website.
